

# PERFECT HARMONY BOOSTER CLUB

## Membership Form

The Perfect Harmony Booster Club is the parent support organization for the Kennedy High School Choir. We are extremely proud of the student's accomplishments, and as we look to their future in one of the most unique high school choir programs in southern California, we need your help! By making a donation and becoming a member of the Perfect Harmony Booster Club, you are given a vote in the decision making process of the booster club and have an active role supporting the creative activities of your child.

With the completion of the John F. Kennedy's Performing Arts Center (JFKPAC), we realize that our community and our students have been given an incredible gift, and as it is with any great gift, there comes a great responsibility. Your financial support will ensure that the students are able to bring our community a quality performance every time they perform.

Please join the Perfect Harmony Booster Club and support your child in an exciting piece of history for the Kennedy High School Choir and for the La Palma community as well. Thank you for your continued support and for the gift of having your child as part of the Kennedy Singers.

For additional information about membership, please contact:
