

Dear Parents,

Technology never ceases to amaze me! I know life can get a bit hectic when kids start school and deadlines can be inundated. In an effort to “lighten the load” a little, I was introduced to a text reminder application that will allow me to periodically send out classroom and school reminders via text message, along with important documents attached to help take the burden of remembering off of you.

To participate in receiving text message reminders simply text to the number 81010 with the message @KSing1617

Rest assured that you will not receive advertisement texts (unless it is for our shows ☺) and your phone number will remain private. You may choose to opt out at any time by simply typing ‘STOP’ to the above number.

It is my hope that this will strengthen the home-school connection. Please do not hesitate to contact me if you have any questions.

Thank you,

Mrs. Anderson (Ms. B)
